What did it say?

Derek Jones
Knowledge Software, Ltd

derek@knosof.co.uk

Introduction

- Why experiment?

- Short term memory is SHORT

- The ACCU 2004 experiment

Experiments probe reality

- Software engineering is empirical

- What happens in 'real-life'?

- Very few studies of developer memory

What next?

- Do this experiment

- Write up in C-Vu

- Book out for Christmas

- www.knosof.co.uk/cbook/cbook.html

Three parts

- Remember information

- Do a task

- Recall information

Part 1

- Please fill out now

- Computer language usage

- PAUSE!
